3. Click on “supporting files” – you may have to scroll up

The screenshot shows the ULS Dashboard interface. On the left is a sidebar with a 'Welcome,' message and a list of links: member home, uls dashboard (highlighted with a red box and number 1), unique GPS, my students, online library, state standards, instructional targets, scope & sequence, year topics, support center, and contact. The main content area is titled 'ULS Dashboard' and 'February Lessons'. It has tabs for 'Elementary' and 'Core Materials'. Under 'Elementary', there are buttons for 'download lesson plans' and 'download all lesson plans AND activities (LARGE)'. Below these is a table with columns: Lesson, Activities, Description, and Open. The table lists 8 lessons. To the right of the table is a 'Monthly Tools' section (highlighted with a red box and number 2) containing links for supporting files, internet resources, links with news-2-you, supply lists, supplemental reading lists, and printing guide. A red box and number 3 points to the 'supporting files' link. A callout box says 'you may have to scroll up'. At the top right, there are links for 'view March lessons', 'Grade Band Topic February - History', and 'Transition Topic February - Leisure Time'. At the bottom right, there is an 'Instructional Tools' section.
